If you have kids or you like to entertain then you will know that having extra living areas inside and outside creates the perfect environment for raising the family.

Situated in a quiet street this lovely brick home has 2 large living areas including an enclosed Queensland room that can accommodate the largest of dining tables or the family pool table. There is also a rear pergola and pool to add to the outdoor entertainment areas.

The home has 3 bedrooms (main has ensuite) all with Built in Robes, and the main bathroom has a spa bath. Other features include air conditioning and dishwasher. There is
