This home has it all, from the beautiful, perfect location opposite the park and sporting grounds, just seconds from Everglades Country Club with its beautiful Golf Course and number of bowling greens.

Sit back on your large North facing deck and enjoy the beautiful never to be built out green outlook. The house features two over sized living areas, separate dining room, three large bedrooms + an extra study, modern kitchen, one new bathroom and second shower and toilet downstairs.

If the house sounds great, there is still more to come, the property also offers a large drive through triple garage with
