Find yourself living in one the best cul-de-sac street locations on the peninsula and you will pinch yourself every day. The privacy and the location is great but the home is also going to please you. With a nicely flowing layout, floating floor boards and tasteful decor, this modern home will endear itself to you.

Pergolas and pools are the stuff of enjoyable summers. We can offer you both of these plus a rumpus room for the kids for their own entertainment. A drive through garage for the car and trailer or van, a paved courtyard and this home will be low maintenance which means more time at the poolside or the beach just 3 minutes drive away.
