Now is the right time to buy. Interest rates are down and the Government is willing to assist first home buyer's. It's almost at the stage where it's cheaper to buy a home than rent a home.

This outstanding home will cater for the whole family, it has 4 bedrooms and the garage also has a bathroom which will be handy for the teenagers. The large open plan family room is tiled and there is even room for Dad's bar. When you combine the family room, rear pergola and the Pool, entertainment will be pleasure for the host and friends.
