When buying your first home it's important to buy looking to the future and with the potential to render and modernize a brick home the options with this house are endless.

This great Brick & Tile home has 3 large bedrooms, main bedroom has direct access to the renovated 2 way bathroom. The lounge room is a generous size and the home comes with security shutters on the windows to help keep you cool this summer. The yard is neat and there is a large single garage serviced by the rear lane.
