Directly opposite the beautiful Waterfront Reserve with open views to the Woy Woy Channel, this Townhouse offers an ideal lifestyle for the buyer seeking convenience and a serene setting.

Sipping drinks from the courtyard or dining from the living areas, it's all about the outlook and the Northerly aspect.

Built from double brick construction in a very well kept complex, you can take part in a walk to the shops, train station, library, church, the list goes on! Or for a lieisurely stroll you can walk along the waterfront and choose to have dinner on the Waterfront restaurant or the local bowling
