Welcome to the property that offers a myriad of flexibility. A character 2 bedroom home with sunroom on an expansive block of land (approximately 834 square metres) ready to live in or ready to renovate.

With a 50 foot frontage and plans in our office for 2 optional extensions, you can let your imagination run wild with this home.

With 9 foot ceilings, large eat in kitchen and all the potential to create your own personal changes, we invite you to inspect. There is a large garage with auto door and the back yard is like a paddock for the kids to play in!
