Simply stunning are words to describe this large modern home, that is only 10 years old & ideally positioned in a quiet no through street. The property is meticulously kept throughout & features 2 living areas, large bedrooms, ensuite to master bedroom & a modern kitchen with breakfast bar. The back family room leads directly to the outdoor undercover BBQ & entertaining area which also overlooks the sunny north facing backyard. Completing this immaculate home is the double garage with internal access & being located within walking distance to local school,
