This neat and tidy house offers you the potential to value add and capitalise one of the best blocks you can buy in Phegans Bay. With expansive views over the bays the peninsula and the surrounding Brisbane waters and national parks it does not get much better. First time offered for sale this neat and tidy three bedroom house offers two living areas, renovated bathroom, air conditioning and large deck taking in the amazing view.

With such a prime location and quality of views you can ensure your investment will give you great rewards in the future with capital growth and possibility to value add.
