Large families take note, with the shortage of large affordable homes on the market at the moment this one is sure to be popular. Situated towards the end of a quiet street, this house offers the extra accommodation that all growing families crave. Four bedrooms all with built in wardrobes, two bathrooms- one with corner spa bath & large timber kitchen with dining area. Next to the in ground pool you will find the self contained sleep out with air conditioner, bathroom & kitchen sink which would be perfect for the teenager & guest accommodation.
