Picture this. Almost 900 sqm of beautifully landscaped gardens and rolling lawn, with cascading plants, supported by groups of sub tropical palms. An idealic setting for the family home where children can engage with nature or you can sit on the balcony and enjoy the views into the native reserve. The 4 double sized bedrooms, 2 with ensuites, will care for the visitors and family with the Master bedroom separated from the others. A large storage area and wine cellar could serve many needs including a home office. Just minutes from beach & shops.
