Hard to come by easy to maintain and get yields from, sound like the ideal investment? Then you are right.

- Near new two bedroom cabin
- Renovated studio flat
- Renovated two bedroom house

All renovated within the past few years which allows great depreciation and extra tax benefits and with two tenants in place this will be a highly sort investment situated on a corner block making access to all three properties easy. With a likely rent for the house of \$420-\$450pw, the studio currently returning \$200pw and the cabin at \$320 with possible increase to \$340 makes the likely return \$\$950 - \$1000pw + depreciation.
