

1/1A Warwick Street Blackwall NSW

3  1  1 

Walk through the door of our cute and cosy 3 bedroom villa and you will feel like you are home. Good sized lounge area, separate dining space, split system air conditioner and great size bedrooms, 2 with BIR's. Side garden area all undercover and just perfect for a cuppa and relaxing back with a book, small shed and another section of yard. All this is very handy to transport and schools and a short drive to the shops, transport & beach.
