

### 23 Pratley Street Woy Woy NSW

3  2  1 

Don't judge me from the outside because I have lots to offer inside. Featuring 3 bedrooms, 2 with built ins, the other with shelving, separate dining area, good size living area and 2 bathrooms, this family home has a lovely view over the back yard to watch the kids play. Ready made vegie patch is great for the cooking enthusiast. Great family home close to golf course, schools and transport almost at the door. Book to inspect now.
