

33 Bay View Crescent Blackwall NSW

Have you been looking for the perfect block with the perfect view to build your dream home? Yes? Look no further because here it is. Situated in an elevated position in Blackwall boasting 180 degree views of Brisbane Waters and a tranquil bush backdrop from Blackwall Mountain Reserve. This 715sqm block provides level entry to your soon to be new build with only a minor decent to the end of the block. Its east facing aspect delivers the best of both worlds between sun and shade highlighting the endless potential this block has to offer.

Vacant blocks are a rare commodity on the Peninsula and ones with a view like this are almost non-existent.
