Looking for something different? This unique four bedroom townhouse is sure to impress. Located in a block of three, downstairs features your living/dining area, kitchen and one bedroom while upstairs you will find the remaining three large bedrooms including ensuite bathroom to main.

There is a single lock up garage with drive through access to the large, low maintenance courtyard and the home is currently let to great tenants @ \$500 per week with a lease who are happy to stay on.

This could be a great investment or provide you with the extra space in a low maintenance home that you have been looking for. Contact Ian Willis on 0421780513 for more details or to arrange an inspection.
