Fantastic value, this two bedroom home will be a great first purchase or with that all important- Rear lane access it could also be a sought after investment.

Sitting on a 493m² (approx) level block, the home features two really good sized bedrooms, separate lounge/ dining rooms (that could be opened up) plus a north facing sun room area at the front of the home which is perfect for soaking up the winter sun.

Beautiful floor boards through out the home and with a modern double garage at the rear of the block, this is a real winner.
