Sometimes when you walk into a home, you don't know why but it has a great feel. Tastefully renovated and immaculately maintained throughout, this home features three generous bedrooms (two with built in robes), large kitchen which includes a dishwasher as well as a huge oven & gas stove top fit for the chef of the house. The main bathroom is certainly impressive and there is a very smartly designed second bathroom that can be used as an ensuite while also having a second access off the large rear entertaining deck, perfect for when you have guests over.
