

6 Primrose Place Woy Woy NSW

3  1  2 

Truly unique, three bedroom house which is one of a kind, U shaped design with two wings off a central kitchen dining area and a great feel through out. With great features such as two separate living areas joined by a central undercover courtyard, three bedrooms, separate bath to shower room, rustic feel kitchen and low maintenance grounds. With a short walk to the waterfront at Brickwharf Rd and quiet cul-de sac this is one not to miss
